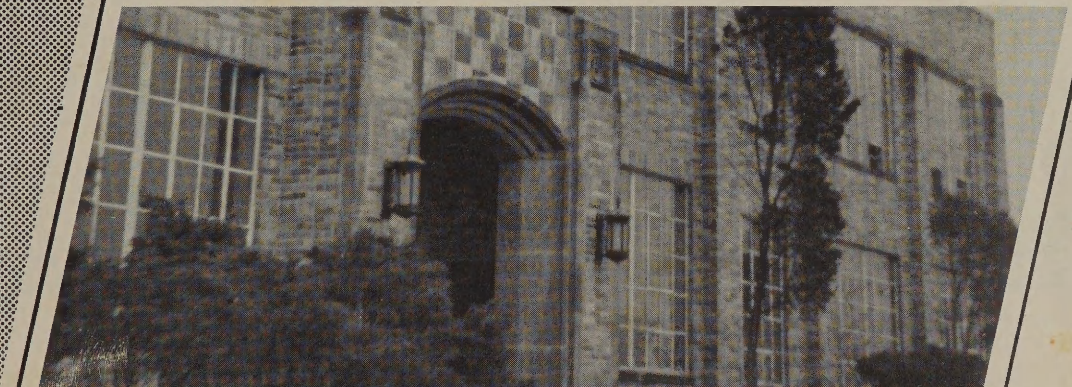
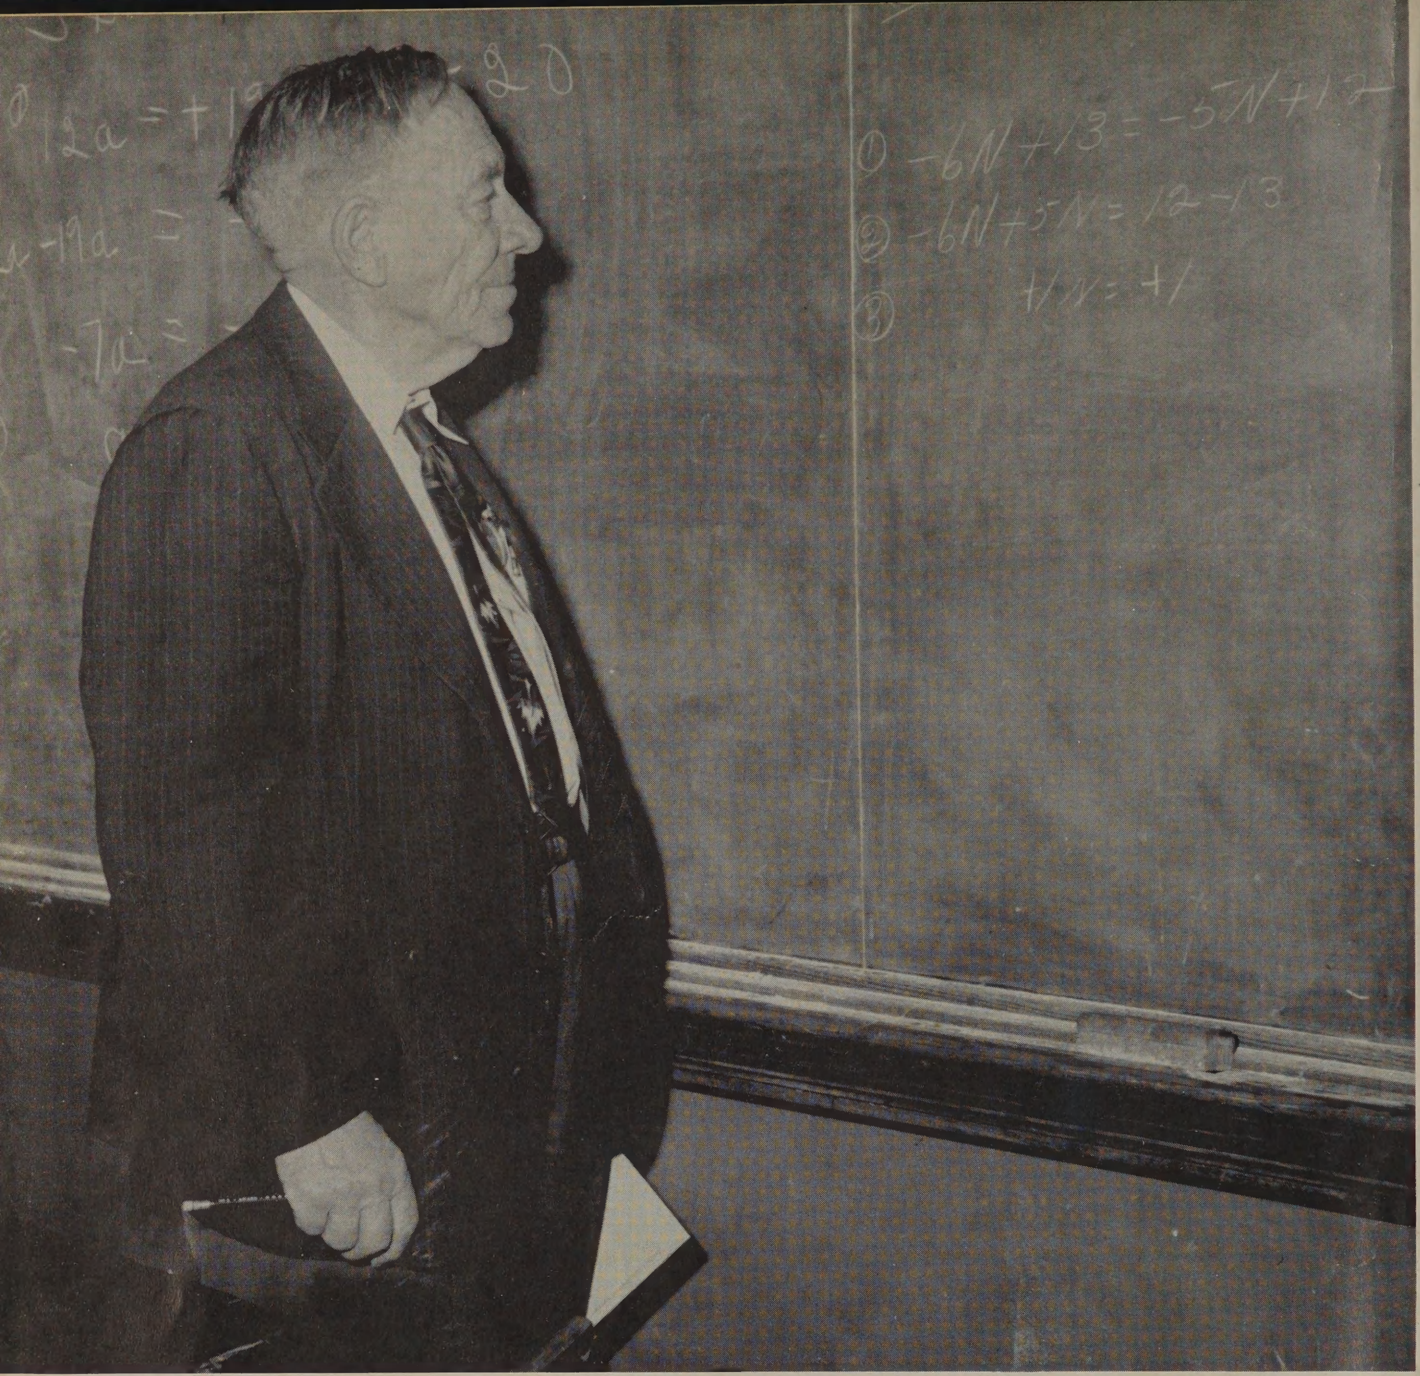
MC KELL · 1958

MC KELL HIGH SCHOOL
SOUTH SHORE, KENTUCKY





He came to us in time of need,
A man of patience rare,
He taught us algebra and math,
And how to find X square.
His efforts then were not in vain;
We all agreed he did well.
Our hats are off to one grand soul
Our own dear Mr. Kidwell.

Ben F. Kidwell has served more than half a century of his life in the field of education. He has shown a continued interest in the youth of Greenup County. The last three years he has taught at McKell High School. With sincere appreciation for this service and interest, we, the Graduating Class of 1958, take great pride in dedicating to him this issue of the 1958 McKell.

OUR PRINCIPAL, CLIFF LOWDENBACK

We extend our heartfelt commendations to the faculty and students of McKell High School for their cooperation in making this school year a most pleasant experience for us all.

To the parents of our school district we especially make the observation that we think there are no finer or better behaved children in any school district . . . perhaps it is because we ourselves are proud to be known again as Greenup Countians.

LEE PENNINGTON

VALEDICTORIAN

Lee plans to be an atomic scientist, but is also interested in journalism as a career. He was editor of the Growler and Co-Editor of the Annual. As school reporter, he takes an active interest in writing articles for the Portsmouth Times. He also wrote weekly articles for the Huntington Herald Dispatch and Ashland Daily Independent on the North Eastern Kentucky Conference. Lee has been president of the class for three years. His well rounded activity program has included sports, dramatics, and Beta Club Vice-President. Lee maintained a scholastic standing of 2.86 during his four years of high school.

SALUTATORIAN

Although Laura Faye is one of the quieter members of our class, she is a competent student. Her plans include going to college and being a private secretary. She has served as secretary to Mr. Kidwell and secretary of the Friendship Class at Liberty Church. She has participated in many other activities, they are: Beta Club, Glee Club, Physical Education Club, 4-H Club, and Annual Staff. Laura's hobbies are baseball, growing flowers, and singing in the choir at church. She graduates from high school with a 2.82 scholastic average.

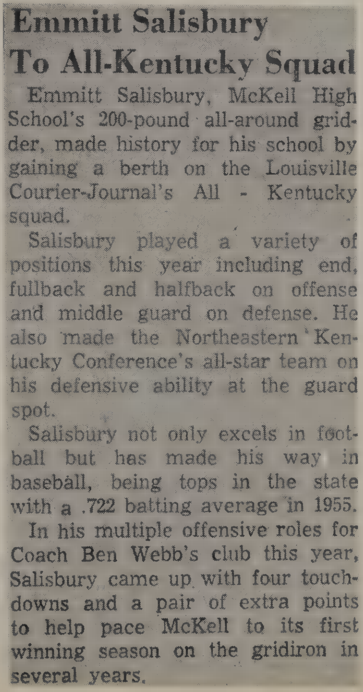
EMMITT SALISBURY WINS ALL-STATE POSITION



Emmitt Salisbury To All-Kentucky Squad

Emmitt Salisbury, McKell High School's 200-pound all-around grider, made history for his school by gaining a berth on the Louisville Courier-Journal's All - Kentucky squad.

Salisbury played a variety of positions this year including end, fullback and halfback on offense and middle guard on defense. He also made the Northeastern Kentucky Conference's all-star team on his defensive ability at the guard spot.

Salisbury not only excels in football but has made his way in baseball, being tops in the state with a .722 batting average in 1955.

In his multiple offensive roles for Coach Ben Webb's club this year, Salisbury came up with four touchdowns and a pair of extra points to help pace McKell to its first winning season on the gridiron in several years.
